

ONE CARE SOLUTION

POWER MEETS PURITY

PREMIUM WATER TREATMENT & INDUSTRIAL PURIFICATION SYSTEMS

Advanced Engineering Solutions for Commercial,
Industrial & Healthcare Applications

OUR SERVICES

- ✓ Installation Support
- ✓ AMC Services
- ✓ Breakdown Assistance
- ✓ Technical Support

INDUSTRIES WE SERVE

- ✓ Hospitals & Healthcare
- ✓ Hotels & Commercial Units
- ✓ Schools & Apartments
- ✓ Industrial Factories

50 LPH Commercial RO System

- Triple stage pre-treatment filtration
- Compact commercial skid structure
- Ideal for offices and schools
- Easy service maintenance design
- Continuous purified water output

100 LPH Commercial RO Plant

- Digital micro-controller panel
- Industrial stainless steel skid
- Online flow monitoring system
- Auto flush protection
- Commercial high-flow operation

250 LPH Reverse Osmosis Plant

- Vertical multistage pressure pump
- Dual big blue pre-treatment system
- Precision pressure monitoring
- Industrial heavy-duty operation
- Stable membrane performance

500 LPH Drinking Water RO Plant

- High efficiency membrane technology
- Energy saving operation system
- Dry-run motor protection
- High TDS rejection capability
- Continuous drinking water supply

Dialysis Reverse Osmosis Plant

- Clinical-grade purification quality
- Triple online rotameter system
- Medical high-purity water supply
- Advanced digital monitoring
- Designed for hospitals and labs

1000 LPH Industrial Reverse Osmosis Plant

- Dual industrial membrane housing
- Smart electrical control console
- Heavy commercial application design
- High recovery industrial operation
- Ideal for manufacturing units

2000 LPH Automatic Industrial RO Plant

- 24/7 continuous operation capability
- Heavy-gauge reinforced frame
- Large-scale industrial engineering
- Designed for extreme workloads
- High-capacity industrial production

Fully Automatic SS RO Plant

- Premium stainless steel construction
- Fully automatic backwash system
- Mirror finish SS vessel design
- Leak-free SS piping network
- High hygiene purification system

NEED A CUSTOM WATER TREATMENT SOLUTION?

WE PROVIDE

- ✓ Commercial RO Plants
- ✓ Industrial RO Systems
- ✓ Dialysis RO Plants
- ✓ Stainless Steel RO Plants
- ✓ Custom Water Solutions

SERVICE ASSURANCE

- ✓ Quality-Tested Systems
- ✓ Genuine Components
- ✓ Professional Installation
- ✓ Reliable Support
- ✓ Energy Efficient Design
